A message from 2016-2017 Governor Ron Myers

We Are Making A Difference!

Where does the time go? Team Century and I are now halfway through the Kiwanis year; yet it seems like it was only a month ago that we started!

As with any administration, it takes time to “get your feet wet” in implementing programs. This process was maximized with Team Century’s hard work and effort to “hit the ground running” with the programs we planned during Lieutenant Governor’s training in June of last year. Now it is time to step up and “shift into high gear,” in implementing our programs.

I look forward to this time of the year with Regional Conferences, CLE training and so many activities going on, and meeting fellow Kiwanians face to face. Everyone’s talking about what has happened in their clubs so far this year. They are not only meeting the needs of their communities but exceeding those needs. Throughout the Pacific Northwest our local clubs are having a profound effect on their communities. This can only happen through dedicated Kiwanis members who are willing to step up and make a difference.

Some are still asking, “Are we making a difference?” It is easy to just say yes, but numbers can give a clearer image. Through the two District Programs, Kiwanis Children’s Cancer Program (KCCP) and the Surgical Fracture Care International (SIGN) we are having a great impact, by giving to these programs. Is it helping? KCCP has provided care to over 315,634 kids costing $231,125,021. The SIGN program has affected 184,328 patients and family members in 2016. Through these two programs alone, our support helps affect more than 499,962 people! I would say these programs are making a difference and having a lasting effect in the areas they serve! I am excited as clubs tell me how they are developing joint projects in working with Builders, Key Club, CKI and AKTION family members. Finally, the $100 for 100 Years started slowly, but clubs are taking this to heart and are sending in money. Our goal is to give out as many scholarships as we can to Key Club and CKI students at DCON in August. Lately several thousand dollars have been deposited into this programs’ account. It will be exciting to celebrate our 100th year as a District by giving out more scholarships to our family members trying to prepare themselves for making a difference in the future.

Yes, you are making a difference! Clubs are telling me how they are excited about our District programs, KCCP and SIGN and working hard to support them. They are excited about attending the District Convention this year and having the opportunity to tour the SIGN facility. We are also going to have the opportunity to meet and listen to one of our fellows (Doctor) from KCCP, who will explain how our support is helping children with childhood cancer.

Stay tuned, the next six months are going to be exciting!

Ron Myers
Governor

“Throughout the PNW our local clubs are having a profound effect on their communities.”
Please make certain that your newest club members (those who have joined since the District Convention in Portland last year) are made aware of the convention and the fact that the District is offering a discounted registration fee to first time convention attendees who have joined their very first Kiwanis club since August 14, 2016.

Kiwanians who meet this criteria are being offered a registration fee discount of $50.00 at the time of registration (instead of the normal full price). As we must verify their eligibility for this special, they will need to call the District Office at (503) 305-7635 in order to register. This Brand New Kiwanian rate will not be available on the registration forms or in the online registration system.

Please make certain that your newest members, that is to say - the members who may be the most excited ones to be a Kiwanian right now, are aware of this special offer and encourage them to attend. I think you will find it will pay dividends in making them vital and active members of your Kiwanis Club!
District Convention this year promises to be “A Convention To Remember”.

The Pacific Northwest’s 100th Convention is coming this summer.

Plan right now to be a part of this event in The Tri-Cities August 24th through 27th.

As promised, Your Leadership Development Team has released the list for forums to be held during District Convention this year. Another great piece of news is that forums have been re-branded to help clarify their real purpose. The new name is “Learning Tracks”. We are wanting to promote that participants will learn something of value from each session so spread the word to fellow Kiwanians to be an active participant in sessions designed to train and educate Kiwanians on the great value of attending District Convention. Join Governor Ron in celebrating as a Kiwanis Family our successes this year and learn something you can take back to your club of great value.

This District Convention will feature two “Must Participate Sessions” led by world renown motivational speaker Steve Siemens. Steve is a certified inspirational speaker and a former Kiwanis International President. His sessions are guaranteed to inspire and motivate Kiwanians to change their clubs and communities for positive outcomes for years to come. Don’t miss these sessions and checkout the other 25 Learning Tracks to determine the 5 best for your needs. Just imagine, if 5 people attend from your club you could potentially have a participant in each and every Learning Track session to take valued skills back to your club and division. See you in Kennewick, Washington at the “Convention To Remember”.

“Steve’s sessions are guaranteed to inspire and motivate Kiwanians to change their clubs and communities.”

A message from 2016-2017 Governor-Elect Roger Bell

A Convention To Remember
The Passing of PNW’s Past Governors

Over the last couple of months, the Pacific Northwest District lost three past Governors who served decades apart.

Wave Young was born in April 1923. An automobile dealer by trade, he originally joined Newport Kiwanis in 1950 (at age 27) and served as President five years later. Then he moved to Coos Bay Kiwanis in 1958, serving as that club’s president three years later. In 1963, he counseled 12 clubs as Lt. Governor, in a division ranging from Eugene down to Roseburg and over to the Oregon coast – generally what now is called Division 74. He went on to serve as District Chair for Fund Raising (1965), Education and Attendance (1966), and Interclub and Attendance (1967) before being elected Governor-Elect.

Beyond the building of three clubs during his year as governor (Prosser, Ocean Shores, and Silver Lake- Everett) there were four notable aspects to Wave’s Governorship:

• He was just 45 when he started his term as Governor in 1969
• His termed marked PNW’s “Golden Anniversary” (1919-1969)
• He was the last PNW Governor to be elected on a calendar year term, and as a result,
• He had one of the shortest terms in our district’s history: 9 months.

John Chelson grew up in Colton OR. He went to BYU Provo in Utah, and got into real estate, working as a self-employed real estate broker. He joined the Kiwanis Club of Mollala OR in 1971 and served as Distinguished Club President in 1974/75. As Lt. Governor of Division 70 in 1977/78, he now only counseled eight clubs in the Salem area but also built two more – a 25% increase!

John served as District Chairman for Youth Services (1977/78 and 1983/84), Public Relations (1979/80), Past Lieutenant Governors Committee (1980/81-1981/82), and Special Services (1982/83).

John served as Governor in the 1985/86 year. His emphasis as Governor was “Service to Others” and “Walk With a Child.” His District Convention theme in SeaTac was “With pride and fun, it can be done, and we will do it.” This theme often appeared with a humorous, comic-style depiction of David having bested Goliath – including on the District Directory.

His team built at least eight Kiwanis clubs that year, six of which are still active: Providence Point-Issaquah, Riverview-Wenatchee, Golden Ears-Maple Ridge, Capilano-West Vancouver, Silverdale, and Friday Harbor.

Beyond Kiwanis, one of John’s passions was scouting, and by the time he was Governor he had been a “Veteran Scouter” for 36 years and a 1953 recipient of the “Scouting Silver Award”. He had also served for two years as President of the Chamber of Commerce, and been voted Citizen of the Year (1978) and Molalla Businessman of the Year (1981). John is survived by his wife Billie Jo.

Bill Reitz was born in December 1942. He first joined Sardis BC Kiwanis in 1986, at age 44, and when he joined Chilliwack Kiwanis in 1988, he immediately went on to serve as Distinguished President in 1988/89. His quick rise continued, serving as Division 18 Lt. Governor in 1990/91, and adding a 10th club to his Division in the process. The following year he served as Youth Services Chair and started a two year term as CKI Assistant Administrator.

Bill became Governor in 1994/95, at the age of 51. He and his wife Linda (who was also a Chilliwack Kiwanis Member) owned the Chilliwack Bingo Hall and Swallows Coffee House. His Governor theme was “You Are the Key” and his logo featured a lock with that message and a child’s face. His team built three clubs that year: Sammamish, Westmoreland Golden K-Portland, and Golden K-Kelowna.

One thing that Bill was passionate about was the Kiwanis Family. He worked with Key Club and Circle K to build a school in the dumps of Mexico City. And he was willing to try new things, forsaking another speech on the importance of working with our youth and instead holding a mock trial in which Kiwanis was charged with lack of Kiwanis family involvement. Key Club District Board members were in charge of making the case, CKI District Board members led the defense, and Kiwanis was let off – with a warning to be more involved. Bill is survived by his wife, Cheryl.

Three decades. Three Governors. Each brought their own talents, passions, and focus to the role. Each devoted many years and countless hours to service and leadership, for the good of Kiwanis at the club, division, and district levels. Since forming in 1919, our District has had 100 governors, and these are but three of their stories. Kiwanis continues to need leaders at every level. Will you answer the call to serve?
The strength and stability of any great organization is established with a cornerstone placed for direction and purpose just as one is placed for the foundation of a building to secure its ability to weather the effects of time and serve its purpose. With that in mind, the Directors of your PNW Kiwanis Charitable Foundation have established our cornerstone to be a sustainable one million dollar endowment fund placed for a lasting legacy as Kiwanis begins its second century of service to the world.

We have established a vision of what we want your foundation to look like for the year 2020 and beyond and the services we want to provide. It is called “2020 VISION”.

Every Kiwanian in the Pacific Northwest District is a part of the vision because, as a Kiwanian, you are a member of the foundation. In order to have a sustainable $1,000,000 fund and at the same time grow the services we provide to the children, clubs and communities of the Pacific Northwest, we must not stop at one fund goal; but have several levels to reach for. Please take an active part in achieving 2020 VISION for your Foundation.

One way you can participate is to make a personal donation every year to the Foundation. We have established a recognition program for individuals who contribute $25.00 or more in any year. It is a beautiful pin that can be displayed with pride, and will change each year – start your collection today!

YOUR PACIFIC NORTHWEST KIWANIS FOUNDATION

The Pacific Northwest Kiwanis Foundation provides a lasting legacy for children, thanks to the support of Club leaders, and caring Kiwanis individuals like you. Every member of a club in the Pacific Northwest is also a member of the Foundation.

We rely on the support of clubs and individuals through annual club gifts, annual individual gifts, memorial gifts, distinguished service awards, and fellowships. Your Foundation is a careful steward of your contributions. Currently your Foundation has over $900,000 in total assets, with a goal of reaching a sustainable $1,000,000 providing an annual impact within the PNW of at least $100,000 by 2020. Interest earned on investments help fund Foundation programs.

Supporting Service Leadership Programs The Pacific Northwest Kiwanis Foundation provides $12,000 to $15,000 in scholarships each year to outstanding CKI members and graduating Key Club members. In addition to scholarships, the Foundation provides thousands of dollars in grants each year to support the district’s Service Leadership Programs, from K-Kids through Aktion Clubs.

Your Pacific Northwest Kiwanis Foundation also receives funds in support of Pacific Northwest CKI for those who want to contribute through a US 501(c)(3).

In the past 10 years, the Foundation has provided more than $315,000 in grants and scholarships to support Kiwanis Service Leadership Programs in our District. Supporting Kiwanis Children’s Cancer Program KCCP (www.kiwanis-kccp.org) supports hospitals in Seattle, Portland and Vancouver BC to help fund pediatric cancer research. Along with the Kiwanis Foundation of Canada and Kiwanis Doernbecher Children’s Cancer Program, the PNWKF provides a vehicle for charitable contributions to KCCP Seattle Children’s Hospital. Donors can specify which hospital their gift supports. Revenue from district fundraising projects are split between the hospitals. Since 2011, the Foundation received almost $250,000 in contributions for the Kiwanis Children’s Cancer Program.

Education as a Way of Life

Learning is not something that only happens when we're young. It is a life-long experience and those who choose to make education a part of their daily life enrich others as well as themselves.

The objects of Kiwanis are filled with references to education and learning.

The third object To promote the adoption and the application of higher social, business, and professional standards requires the teaching and sharing of those standards in life.

The fourth object To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship is a call for instruction and hands-on teaching.

The remaining four Kiwanis Objects require some form of education and learning in order to be achieved as well. To be a Kiwanian is to be committed to the principle of education and the need for instruction and training.

Part of what the Kiwanis organization does is to prepare members to become leaders and to train the leaders to take the organization to new heights. This is accomplished through formal leadership training at Lt. Governors training, Mid-Winter Conference, Regional Meetings, Club Leadership Experience (CLE) and District Convention (DCON) as well as online training and club visits by various officers and committees of the District.

While there are many other benefits from attending any of the above events, the education component is critical to our organization. Members need to be recruited to become future leaders and leaders need to be taught how to become better team builders. Our mission demands that we work together and utilize our resources more effectively in serving children.

The key to learning is having a positive attitude and open mind. If you can listen and then compare what you’ve heard with the experiences that you had, you will gain and grow from every presentation.

There are always two who will gain in knowledge from each of the experiences above. First, the person who sits through the session and asks questions and then reflects on what they’ve heard. The second person is the one who presented information who will learn even more about what they are teaching.

Be the member who takes advantage of the training provided by the District and then reports to your club about what you learned. The lesson you learned and then share with your club will be strengthened by the fact that you’ve shared it with others. Teaching truly reinforces the lessons you've learned.

Make education your way of life and you will find that training and instruction becomes more valuable to you. Your growth as a leader will benefit your Kiwanis organization and many fellow members will reap the rewards of learning from your example.

To Honor Friends And Kiwanians...

In January, three bricks were laid at the District office. Three bricks, each with a different message and yet all three sharing a common goal.

One in honor of Don Busk was given in remembrance of friendship and companionship. A generous heart that touched so many, immortalized in brick.

The second brick was in honor of Deborah Mary MacDougall and is laid in recognition for her service and outstanding effort. This honor was given by her fellow members for being the charter president of Sidney Kiwanis Club.

The third stone was laid in recognition of Ken F. Smith (left) and his service to Division 17 as their Lt. Governor. The simple inscription includes his beloved Alex Karlie.

The three bricks join so many more, yet a dozen score of blank bricks await replacement with names, dates, and honors to be shared. Kiwanians have chosen to maintain and improve their district building by their gifts of bricks with names of those they wish to honor.

If you are interested in honoring a friend or share an honor of Kiwanis, contact the District Office or a member of the Building Committee. Order forms and information are also available inside each issue of the Builder magazine.

You too can be a part of the legacy of Kiwanis with a brick emblazoned with your name.

Mid-Winter Conference Report

The PNW had a great Mid-Winter conference in Yakima, Washington February 17-19. Nearly 90 members participated and the weekend was filled with fun and fellowship.

Our Governor, Ron Myers, shared his hopes and expectations for our district. The Service Leadership Programs were each presented and questions were raised and answered by those in attendance. He answered questions about his goal to provide scholarships for Key Clubbers and CKI members in the $100 for 100 years program for this centennial convention only.

The Formula team’s high-energy presentation was well received as they shared their plans to help clubs, recruit members, and open new clubs. Membership and the need for new Kiwanis clubs is and will continue to be a priority for Kiwanis International.

The Board meeting was held on Sunday morning and while the threat of snow was heard, the Board dealt with the business before it with diligence. The weekend closed with the adjournment of the Board and the members departed for home in haste.

Ask any member or Lt. Governor who attended to get their perspective on this great weekend. Plan on attending next February (TBA) and be a part of the growing excitement of Kiwanis in the Pacific Northwest.
Nearly 200 PNW Kiwanis clubs are funding surgical implants (aka “intramedullary nails”) to restore child trauma victims to good health. As a result, to date, severe bone fractures are being healed daily in 21 surgical hospitals around the planet. PNW Kiwanis efforts are now healing child trauma victims in 14 developing countries: Afghanistan, Bangladesh, Cambodia, Cameroon, Ecuador, Ethiopia, Ghana, Haiti, Kenya, Nepal, Pakistan, Philippines, Rwanda and Tanzania.

Unlike adult implants, it’s important that child trauma victims’ implants be attached to the victims’ bones on only one side of the fracture so as not to impede normal bone growth. With an implant, victims of even the most horrific injuries are able to stand on their injured limb the next day after surgery!

Lack of proper surgical tools and implants is the prime cause of inadequate severe bone fracture care for the poor in most developing countries. As a result, hospital wards overflow with patients awaiting treatment. Compounding the problem, child trauma victims’ families typically have little, if any, means to pay for prolonged care. The impact on the welfare of families whose children are victims of bone fractures is severe. Leg and arm fractures are common and can be life threatening or leave the victims permanently disabled.

Official Call to the Pacific Northwest District Convention

The Bylaws of the Pacific Northwest District of Kiwanis International establish a requirement for the District Secretary to issue a call to the Annual District Convention. This notice is published to satisfy this requirement.

On behalf of the Board of Directors of the Pacific Northwest District of Kiwanis International, I hereby issue this call to the 100th Annual Convention of the Pacific Northwest District. The Convention will be held in Tri-Cities Kennewick, Washington during the period of August 24-27, 2017.

The purpose of the District Convention is: to elect officers for the coming administrative year; consider amendments to the Bylaws; adopt resolutions; provide education and training; and conduct any other business as may properly come before the delegate body.

Clubs who wish to propose amendments to the District Bylaws, and/or resolutions, must have them in the hands of the District Secretary at least sixty (60) days prior to the convention (June 25, 2017) in order for them to be considered by the House of Delegates in 2017.

Our Convention Committee has been working hard to insure that we have a successful District Convention as well as a fun and exciting weekend. We sincerely hope that all clubs in the Pacific Northwest District will be represented by at least one delegate.

Edward Luttrell
District Secretary

The purpose of the District Convention (DCON) is enhanced by the opportunity to receive education or training on issues that are important to the members. This year there will be a focus on providing necessary and important training through learning tracks in Kennewick, Washington.

We are fortunate to have Steve Siemens, past President of Kiwanis International, who makes his living as a motivational speaker as a presenter during DCON. He will be presenting two Mega Learning Tracks with a focus on Membership.

Areas that will be covered include:

Steve will discuss the importance of creating an effective membership committee for your club. The importance of that team of chair and committee members will be covered. The benefits of having an effective membership committee in each club will be stressed.

Recruitment of new members will be explored to find what causes people to join. The motivation to volunteer for a good cause will be presented. The importance of demonstrating a strong Leader/Member relationship in your club will be shared. Examples for recruitment events, efforts, advertising, and promotions will be shared.

Steve will cover new members in his talk. What can we tell them to help them become a Kiwanian, and what we can do to ensure that they continue to have a positive experience? The question of how to make new member orientation meaningful will be discussed and examples will be given.

Retention of members will be covered. How do you get members to stay, be involved and excited in your club? Examples of ways to keep the hearts and desires of your members engaged in your club will be shared.

Steve will draw upon his experiences to help each realize that we are all leaders. The strength of our clubs is dependent upon developing and supporting members to become leaders who each have their opportunity to lead in different projects and activities. The importance of becoming a leader who members want to follow will be presented.

The session will conclude with the challenges for the 2017-2018 Kiwanis year. Competitions for members, clubs, and division will be explained. The goal will be each club experiencing growth and new clubs being opened resulting in growth for our Division.

Don’t miss these two Mega Learning Tracts with world-renowned motivational speaker Steve Siemens.

One of the great programs that the District provides at DCON is the educational opportunities that are shared with the members. These used to be called forums, but are now referred to as Learning Tracks to modernize them.

The list of Learning Tracks is as follows:

Chuck Richardson

Charles “Chuck” Richardson born in south central Kentucky in 1945. Graduated High School and enrolled in Florida Christian College. (back then they were called Junior Colleges)

After attending for one year chuck enlisted in the U.S. Air Force in the Civil Engineering unit. Temporary duty in both Viet Nam and Korea.

Began his career in the United States Postal Service in 1969 as a clerk. Promoted to District Manager, Statistical Programs Data Collections Division in Spokane in 1988. A position he held until his retirement in 2008

Chuck began his journey in Kiwanis in 1997 joining the South Hill club. Since then he has served in every position in the club except treasurer. He was elected to his first term as Lt. Governor Division 46 in 2001 and then again in 2014.

Chuck has attended every District Convention since 2000 and two international conventions, the latest being the 100 year anniversary in Indianapolis. He was instrumental in opening 2 new clubs during his first term as Lt. Governor and was a charter member of the Hillyard club in 2005 and Airway Heights club in 2010. He was, and still is, involved with the Lilac City AKtion club, as well as the Builders Club at Shaw Middle School.

Currently Chuck is an active volunteer driver for the local food bank, Second Harvest, collecting donated food items three days a week.

Chuck's focus this year is member retention. He believes that if we can close the back door that results in membership loss, we can stem the trend of membership loss in the district that has been occurring over the past 10 years or so.

Damascus-Happy Valley K-Kids

The Damascus-Happy Valley K-Kids chartered on December 7, 2009 and average ninety to one hundred “active” members every year. They usually meet every other Monday, after school for about 45 minutes and usually have an agenda of 2 or 3 activities to choose from at each meeting.

They support our International UNICEF program, have made trauma dolls for Kiwanis Children’s Cancer Program, and annually raise money for Salvation Army during Christmas vacation.

On top of this they help their teachers with projects, make school posters for their school events and they have a waiting list to scrub rubber scuff marks off their schools floors (using a stick with a tennis ball on the end). They have planted flowers outside in their flower gardens, and weeded those gardens, The thing I absolutely love is our Kiwanis Club supports this club and most of the graduating K-Kids will attend Happy Valley Middle School and will join our very active Builders Club which feeds into Clackamas High School Key Club.

Kathy Bell is the Faculty Advisor who chartered this club and she is amazing in keeping this club so involved in the school and our community. Mrs. Bell is the school’s counselor and she is amazing!

Carol Riley, Executive Director of Olympia Harbor Days, an Olympia Kiwanis event, on March 14th accepted 2 Pacific Northwest Summit Awards for the 2016 Annual Olympia festival at this year’s Washington Festival & Events Association Annual Conference, at Hotel RL, Olympia. Hundreds of festivals and community events were represented by over 85 festival producers, promoters, cities, and vendors.

Olympia Harbor Days received the GOLD Award for the Best Printed Material. Riley partnered with Kendra Albrecht of Parachute Technology of Olympia, www.parachutech.com, a locally owned small business providing modern, professional graphic design and IT support services in the Thurston County area. Olympia Harbor Days also won the SILVER Award for the Best Multi Media category, for social media such as Facebook, promotional videos, and radio advertising. Fletcher Ward, owner of Straight Light Studio, www.straightlightstudio.com, a film and music company, produced promotional and sponsor videos.

Riley thanks Mixx 96.1 KXXO for producing the radio ads. “We’re pleased that we could contribute to the success of Harbor Days,” said Mixx 96.1 sales manager Keri Murphy. “Carol’s [Riley’s] multi-media marketing approach is what we advise for all of our clients. Fortunately, in this case we had a visionary marketing partner.”

The 2017 Olympia Harbor Days festival is planned this year for September 1–3, Labor Day weekend at the Olympia waterfront. Riley says “Olympia Kiwanis now claim the fame of not only hosting Washington’s only tugboat races but also holding the World’s Largest Vintage Tugboat Races!” Over 55,000 attended the 2016 festival.

For more information about Olympia Harbor Days please contact Carol Riley at (360) 556-0498 or visit www.HarborDays.com. The festival is still accepting sponsors and vendors.

Kiwanis International Website Update!

On Monday April 4th, Kiwanis International and the Communications Team launched of a redesigned Kiwanis.org website. Assets and information are being migrated over from the old site to the new one. Included below is a screen capture of the full home page for you to see the different look and feel of it. Joan and I wanted to provide you a heads-up on the update, as I’m sure many of you will have questions yourselves and from members in your district. We both value your feedback – please feel free to share any input or questions with us, and we’ll work to provide answers or share your thoughts with our Communications staff.

Pass it On! When finished reading this magazine, cover the address printed at right with a label indicating your club name, meeting time/location, and contact information. Then give it to a prospective member or leave it in a waiting room.

The Community Partnership Program is an Awareness campaign that exposes what we do every day in every community to new people and businesses that WANT to participate and be partners with Kiwanis. Please support these businesses and individuals currently supporting kids and their communities through the PNW Community Partnership Program.
