A message from 2016-2017 Governor Ron Myers

District Convention Is Coming!

I am very excited about the District Convention in Kennewick, WA this year. I encourage each and every one of my fellow Kiwanis family members to come and experience the fellowship, energy, enthusiasm, passion and ideas that happen during a Pacific Northwest District Convention.

The focus of this year’s District Convention is “A PNW Family Working Together.” You will hear how fantastic our District is. We are a part of an organization that has a profound effect not only within the District, Divisions and local Clubs but worldwide! Not only will I be presenting what we have accomplished, but CKI Governor Cody and Key Club Governor Dementri will also be with me talking about what they have accomplished this year.

Governor Elect Roger has a great line up of “learning tracks” (known as forums to older members) that will help not only educate but give ideas and support to attendees looking for help to make their clubs better. Look over your schedules and decide what learning tracks will give you the information you need to make your club better. If you are coming in a group, go to different learning tracks to get a better array of ideas.

We will have an emphasis on our District Programs. Friday night we will have dinner and a tour of the SIGN facility. The SIGN people are eager for us to come and tour their facility where they help more than 170,000 patients throughout the world. They will have demonstrations on how they help those in third world countries who have broken limbs and help return them to work so they can support their families. Meet Dr. Zirkle, the force behind the SIGN program. You have heard about people with a vision to make a great difference in others’ lives; now you get to talk and interact with such a person.

Saturday night will focus on the Kiwanis Children’s Cancer Program (KCCP). You will hear from a Doctor who is responsible for supervising the Fellows during their training. A Fellow will tell us what it is like not only to go through this training but their vision for life after their Fellowship training. Then you will hear from a cancer survivor and what she has gone through, and her dreams for the future.

The 2017 District Convention is going to be like no other. Come, join us, experience why our District is not only great, but how we make a difference in our local communities and District. We do this because we are a PNW Family Working Together, and we have the heart and the willingness to reach out to be a blessing to others!

See you in August at the 100th District Convention in Kennewick!

Ron Myers
Governor

PNW Kiwanis District Convention Special for New Kiwanians!

Please make certain that your newest club members (those who have joined since the District Convention in Portland last year) are made aware of the convention and the fact that the District is offering a discounted registration fee to first time convention attendees who have joined their very first Kiwanis club since August 14, 2016.

Kiwanians who meet this criteria are being offered a registration fee discount of $50.00 at the time of registration (instead of the normal full price). As we must verify their eligibility for this special, they will need to call the District Office at (503) 305-7635 in order to register. This Brand New Kiwanian rate will not be available on the registration forms or in the online registration system.

Please make certain that your newest members, that is to say - the members who may be the most excited ones to be a Kiwanian right now, are aware of this special offer and encourage them to attend. I think you will find it will pay dividends in making them vital and active members of your Kiwanis Club!
I am excited to be serving as your Governor-Elect this year because it has been an opportunity to assemble a Team of Passionate Leaders and develop a vision for the Pacific Northwest District. That vision includes a healthy and expanding District that continues to serve the needs of all communities across the PNW. My class of Lt. Governors has completed their training and have chosen the Team name to be “The Rat Pack”. Along with the District Chairs we are preparing for a fantastic year in 2017-2018. We still have lots to do in support of Team Century and ending the current year on a strong positive note.

Club Leadership Education is critical to our future success and the CLE sessions are in full swing across the District. I highly encourage all Kiwanians to attend one of these sessions. It is a time of education and learning in addition to revitalizing and sharing the strengths of the Kiwanis organization. The last opportunity this year will be during District Convention in the Tri-Cities. Speaking of District Convention, it is fast approaching and this year there will be an early cutoff for hotel reservation guarantees. Do not procrastinate this year, get your online registration in early and save money and don’t forget the hotel reservations.

The Convention Team is preparing for a blockbuster event that will include a visit to the SIGN facility on Friday night and KCCP Fellows that we support speaking on Saturday evening. These are both fantastic opportunities to get a hands on feel for these two major District Projects. DCON will also feature special guest and world renowned motivational speaker, Steve Siemens as the Mega Learning Track speaker on Friday and Saturday. Also in attendance will be our new Kiwanis International Trustee, John DeVilibiss from the Ohio District and he is excited to be assigned to the best District (my opinion) in all of Kiwanis, the PNW. You will not be disappointed by the Learning Tracks being offered this year during Convention. The list has been out for a while now and you should be planning on the five breakout sessions that you will attend on Friday and Saturday. These are smaller group sessions with the focus being on bringing information that the everyday Kiwanian can relate to and take back to their home clubs. The overall theme for all education and training will focus on the most pressing issue facing Kiwanis today, that being membership strengthening and growth.

Every community that I visit has a unique Kiwanis story to tell and this is the most rewarding experience for me personally. The message that “Kids Need Kiwanis” has never been more important than it is to us today. I challenge you to see this as kids of all ages from 1 to 101, because all people need a vibrant and active Kiwanis Club serving within their community meeting new challenges and opportunities and providing positive solutions.

Have you taken inventory lately as to the impact your club has on your local community? I encourage you to do so, because I think most of you will be surprised at the overall impact your club efforts have had on your entire community. Remember to count the impact on seniors with meals on wheels or shut-in visits; struggling single parents helped through back pack programs or bicycle helmets; the leadership opportunities offered to kids of all ages; the families enjoying the local Kiwanis park or sporting events you sponsor; and our veterans receiving a care package or Christmas card. There are so many things we do that make a difference. How would you answer the question: “What’s in Your Kiwanis Wallet?” My hope is that your answer is a “Signature Project” that defines to your community what Kiwanis is all about and why we continue to serve.

It is truly an exciting time to be a Kiwanian. Join the Rat Pack and serve with passion and blossom as a Kiwanian.

Roger Bell Governor-Elect 2016-2017
AKA Leader of The Pack 2017-2018

“Have you taken inventory lately as to the impact your Kiwanis club has on your local community?”
Time To Celebrate!

Think what it means to have our District having its 100th Convention. It will be the 100th time that we’ve gathered to elect our leaders and to consider amendments to our governing rules. It will be the opportunity to gather and recognize the achievements of the previous year’s leadership team and the introduction of next year’s new leaders.

It truly is a time to reflect upon what Kiwanis has meant to the communities in our District. We gather each year (with an extra in the early days) to ensure that our organization is healthy and will continue to serve the children and the communities which our members call home.

Kiwanis members have met in times of war and continued our charitable efforts while conflicts raged. We have supported the actions of brave Canadian and US soldiers when the world was threatened and cared for their widows and children when they fell in battle.

We have met in times of economic hardship and yet our organization continued to meet its mission of helping children and those afflicted by those times. Even when finances were tight for all, Kiwanians opened their wallets and hearts to those in need.

At each of the past conventions we have honored those who served others through the Kiwanis organization. Plaques, certificates, patches, pins, and badges are just a few of the ways that we have shown our appreciation to the efforts of our fellow members.

If you could tabulate the countless dollars collected and donated to worthy causes at each of the 100 conventions, the number would undoubtedly be staggering. When converted for time, the value of Kiwanis generosity in money alone would amaze the hardest and coldest heart.

The hours of service given by Kiwanis members through their clubs are recognized at our annual conventions and are impressive numbers. Yet when the hours of service are multiplied by decades and scores of years the totals quickly become astronomical.

2017 is a time to celebrate. This year and last year’s achievements will be celebrated. But it will also be a celebration of our fathers, grandfathers, and great-grandfathers achievements. Their accomplishments kept the PNW growing and changing along with the states and provinces in our District. Their efforts ensured that we’d have the opportunity to gather and celebrate together in 2017.

Kiwanis membership means that our joint efforts will last as meaningful and impactful contributions to people. That Kiwanis service is a part of history and a part of the future. It deserves to be recognized and celebrated.

Team Impact, Team Century and Team Rat Pack will be in attendance at this year’s 100th District Convention. So will many of our club officers and members. Will you be there in Kennewick to celebrate the 100th District Convention?
The strength and stability of any great organization is established with a cornerstone placed for direction and purpose just as one is placed for the foundation of a building to secure its ability to weather the effects of time and serve its purpose. With that in mind, the Directors of your PNW Kiwanis Charitable Foundation have established our cornerstone to be a sustainable one million dollar endowment fund placed for a lasting legacy as Kiwanis begins its second century of service to the world.

We have established a vision of what we want your foundation to look like for the year 2020 and beyond and the services we want to provide. It is called “2020 VISION”.

Every Kiwanian in the Pacific Northwest District is a part of the vision because, as a Kiwanian, you are a member of the foundation. In order to have a sustainable $1,000,000 fund and at the same time grow the services we provide to the children, clubs and communities of the Pacific Northwest, we must not stop at one fund goal; but have several levels to reach for. Please take an active part in achieving 2020 VISION for your Foundation.

One way you can participate is to make a personal donation every year to the Foundation. We have established a recognition program for individuals who contribute $25.00 or more in any year. It is a beautiful pin that can be displayed with pride, and will change each year – start your collection today!

YOUR PACIFIC NORTHWEST KIWANIS FOUNDATION

The Pacific Northwest Kiwanis Foundation provides a lasting legacy for children, thanks to the support of Club leaders, and caring Kiwanis individuals like you. Every member of a club in the Pacific Northwest is also a member of the Foundation.

We rely on the support of clubs and individuals through annual club gifts, annual individual gifts, memorial gifts, distinguished service awards, and fellowships. Your Foundation is a careful steward of your contributions. Currently your Foundation has over $900,000 in total assets, with a goal of reaching a sustainable $1,000,000 providing an annual impact within the PNW of at least $100,000 by 2020. Interest earned on investments help fund Foundation programs.

Supporting Service Leadership Programs The Pacific Northwest Kiwanis Foundation provides $12,000 to $15,000 in scholarships each year to outstanding CKI members and graduating Key Club members. In addition to scholarships, the Foundation provides thousands of dollars in grants each year to support the district’s Service Leadership Programs, from K-Kids through Aktion Clubs.

Your Pacific Northwest Kiwanis Foundation also receives funds in support of Pacific Northwest CKI for those who want to contribute through a US 501(c)(3).

In the past 10 years, the Foundation has provided more than $315,000 in grants and scholarships to support Kiwanis Service Leadership Programs in our District. Supporting Kiwanis Children’s Cancer Program KCCP (www.kiwanis-kccp.org) supports hospitals in Seattle, Portland and Vancouver BC to help fund pediatric cancer research. Along with the Kiwanis Foundation of Canada and Kiwanis Doernbecher Children’s Cancer Program, the PNWKF provides a vehicle for charitable contributions to KCCP Seattle Children’s Hospital. Donors can specify which hospital their gift supports. Revenue from district fundraising projects are split between the hospitals. Since 2011, the Foundation received almost $250,000 in contributions for the Kiwanis Children’s Cancer Program.

Why I Went To My Second DCON...

The following paragraphs are the answers of Past Governors to the question: “Why I went to my second DCON.”

At my first convention I knew no one. I saw a lot of people who knew each other and were having a great time, so we took the lead and introduced ourselves to a large group. We were invited to most of the things that group did at that convention and it developed into several long term friendships. If you do not take the first step, you will not get the full satisfaction of a convention. We look forward to seeing many of those same people each year at convention.

Greg Holland

My attendance at the PNWK District Convention in Couer d’Alene in 1988 or 1989 was a last minute situation – one of our registered delegates suddenly could not attend. At our Wednesday Noon meeting that week, we were asked if anyone could attend. I said I could – and since no one else could – I attended. Couer d’Alene is only 85 miles from Moscow, so it was not too difficult.

My two most remembered ‘things’ were really people. I met (and visited with) both Bill Reitz from B. C. (Governor 1994-95) and Chuck (and Rusty) Clutts from Alaska (Governor 1984-85). They were very supportive and interested in encouraging women (in Kiwanis less than 2 years) to pursue leadership opportunities. Rusty became the first woman to run for Governor Elect in the PNW. She and I had both joined Kiwanis in November 1987. Rusty & Chuck were major supporters of the PNWKFn and a PNWKFn award is named in her honor. I had several conversations with each of them and became both enthused and excited about the possibilities of service and leadership development in and through Kiwanis.

My second most remembered and useful thing was meeting and interacting with Kiwanians in big and small clubs from all over the district. It was fun and productive to discover what they did, how they did it, and the results they achieved. That has continued to be my main reason for attending DCONs and I still very much enjoy meeting Kiwanians from all over the PNW District and discovering new friends and ideas.

Louise Regelin

Experiencing District Convention is an opportunity to grow your vision of the Kiwanis mission. It’s an opportunity to harvest useful skills that will enhance your impact on the communities you serve. Share your clubs story, absorb how other clubs are serving and fundraising. Load your wagon with skills, tools and ideas and spread this new information with your fellow club members when you return home.

You will also have the opportunity to help set the future of the District, electing new District Officers, considering and ultimately approving new policies. You will become an integral part of why and how ‘Team Kiwanis’ will continue to be a driving force in serving communities and our youth, not only locally but nationwide.

You make the choice, accept the invitation to be a player in our ‘field of dreams’, improving the world one child and one community at a time!

Claudell King

I remember my first District Convention very well. It was 2004 in Eugene. What struck me most profoundly was the vast display of service projects from around the district. I took back to my club several new service project ideas, and we are still doing some of them today, 13 years later. I also enjoyed the opportunity to meet other Kiwanians and learn about what other clubs were doing. This was the very first time I had the opportunity to vote for a Governor and the several amendments and resolutions affecting how our district would operate. Finally, the Friday night event was an enjoyable costume party with Kiwanians dressed up like characters in their favorite children’s stories, as the district project that year was literacy programs for youngsters.

What keeps bringing me back to DCON year after year is the opportunity to reunite with dear friends met at other conventions as well as events around the district and the privilege of casting votes on behalf of my club for district officers and administrative issues.

Bob Munger
As the President Elect for the Kiwanis Club of Yakima, my first District Convention was held at the Sea-Tac Doubletree in August, 1986. That was so long ago, that I have only vague memories of that convention, with the exception that there were a great number of attendees. Looking back at some convention records, there would have been somewhere around 1000 members in attendance — our District membership totaled 14,552. That same year my club sent me to Houston, TX for the Int’l Convention, which was topped by a hurricane that came to the edge of town and then veered away. The next year was the Washington, DC Int’l Convention, highlighted by the vote to allow women into Kiwanis. By then I was hooked on Kiwanis, and conventions. The ensuing years took me to DCON’s in Tacoma (’90), Yakima (’95), Kelowna (’97), Pendleton (’00), Anchorage (’02), Yakima (’03), Eugene (’04), Vernon (’05), Lincoln City (’06), Tacoma (’07), Tri-Cities (’08), Medford (’09), Spokane (’10), Wenatchee (’11), Bend (’12), SeaTac (’13), Portland (’14, ’15 & ’16). ICON’s are almost as many in number. Needless to say, I find conventions, both District and International to be highly educational, social and enlightening to my Kiwanis and personal experience.

Steve Emhoff

The first Convention I attended was in Wenatchee. I didn't know what to expect and was a bit overwhelmed to find out there was more about Kiwanis than just my home town club! I met so many fabulous Kiwanians and made lasting relationships. I attended all the educational forums available and still remember one titled Traditions vs Protocols which was standing room only with very interesting debates amongst the attendees. I return every year to convention to see the friends I’ve made in the past, meet new Kiwanians, and attend the learning opportunities enabling me to return to my home club and division with renewed motivation, energy and excitement!

Jackie Sue McFarlin

The first District Convention I recall attending as a Kiwanian was the 1998 convention in Spokane in 1998. I was the incoming President for Sidney & Peninsula Kiwanis, which was one reason to attend. The other reason was that I had been serving on the 1999 District Convention Host Committee (after co-chairing the 1997 Circle K District Convention), and needed to get a better understanding of what happens at Kiwanis conventions. Jerry Cronkhite, the presiding Governor, reminded us to Dare to Soar, and Jerry St. George as the Governor-Elect shared what would be one of the lasting legacies of that convention: his Everyday Hero program. As a recent Circle K alumnus, I enjoyed the Sponsored Youth Luncheon with the Key Club and Circle K Governors, and I enjoyed spending time with many of the Kiwanians (such as then-Circle K Co-Administrator Dick Rust) I had gotten to meet while serving on the Circle K district board.

It was exciting having more than 850 Kiwanians come to the 1999 District Convention in Victoria. I reconnected not only with those I had met in Circle K but also those friends I had met at the previous convention. I was very proud of my city, and got to see it with fresh eyes. While I only had a minor committee role at the 1999 District Convention itself, the two years spent on the host committee planning for the convention was an educational opportunity. My year as President was almost over, but I had been elected to serve as Lt. Governor Elect, and the convention was a great way to learn more about what lay ahead for me and for the district. While the retrospective theme of that convention was A Time to Reflect, the District took a step forward at that convention by electing its first female Governor, Bobbe Godwin, who challenged us all to Walk the Talk in 1999-2000.

I have been to many conventions over the years, and my hat is off not only to the standing convention committee but also to all the Host Committee chairs and their teams. To 1999 Host Committee Chair Thomas Sturge and all the others over the years, thank you for the many warm welcomes you have provided for PNW Kiwanians.

Key Club Lt. Governor Crowned Rose Festival Queen for 2017

Century High School senior Michaela Canete was crowned the 2017 Portland Rose Festival Queen Saturday morning (June 10, 2017) at a coronation ceremony held ahead of the Grand Floral Parade.

Michaela is a member of Key Club International, the National Honor Society, the Mentorship Program, the Century High School Cheer Team, and the Century High School Dance Team.

As the Rose Festival Queen, Michaela will represent Portland and the Rose Festival for a year at appearances throughout the country and abroad.

Michaela Canete was the 2016-2017 Lieutenant Governor of Division 65 West. She was ecstatic to have served as one of the leaders of Key Club International in the PNW.

“I was exposed to the wonders of Key Club International as an 8th grader when my brother volunteered constantly in Key Club at Century High School. By the time I was a freshman, I had become the Club Secretary, later becoming the Vice President, and as a senior in high school, a Lieutenant Governor,” said Michaela.

“Key Club has certainly unlocked new doors in my life as Key Club introduced me to my dream of becoming a Pediatric Cardiovascular Nurse at Doernbecher’s Children’s Hospital.”

Aside from Key Club, she was a member of Hillsboro Oregon’s Youth Advisory Council, a cheerleader, and a dancer for Century High School’s Dance Team. She is obsessed with United States History, chemistry, caffeine, Fallout 4, and, Key Club!

Born in Mandaluyong, Philippines, Canete graduated from Century High School on June 8. She plans to head to Oregon State University in the fall to study education and biology, with a goal of becoming a science professor or biomedical researcher.

Caveman Kiwanis Earns Mayor’s Inaugural Legacy Award

The Caveman Kiwanis Club of Grants Pass Oregon was honored with the Mayor’s first-ever Legacy Award at the third-annual Mayor’s Volunteer Recognition Dinner on Thursday, June 29 at Reinhart Volunteer Park.

Mayor Darin Fowler selected the club in recognition of “the significant impact” our volunteer efforts have made in our community for the past 43 years.

The plaque shown in the picture reads:

“The passion, caring and devotion you bring creates a glowing flame that lights and warms our community.”

Before presenting the award, the mayor read off the long-list of signature projects we have committed time, energy and dollars.

Our 23-member strong club achieves more per capita than many of the service clubs in Grants Pass. Credit goes to four men who over the last several decades have built a strong foundation for the club’s achievements and inspired our commitment to the youth of Grants Pass and Josephine County.

Thanks everyone for all your hard work and dedication.

Congratulations Caveman Kiwanis!

KiwanisSIGN Sustaining Surgeries Award

by Ann Penner and Ralph Curran
Co-Chairpersons KiwanisSIGN Project

With increasing road traffic accidents throughout the developing world, SIGN is finding it increasingly difficult to finance the resupply of implants and instruments to its existing surgery centers. (Muhimbili Orthopaedic Institute in Tanzania, for instance, used nearly 1,000 SIGN nails last year costing $100,000 and demand continues to increase.) Dr. Lew Zirkle asked your KiwanisSIGN Project Steering Committee if we might be willing to assume part of the cost burden of supply. After discussions within the committee, it was decided to encourage District members to donate to sustain resupply of implants for our sponsored hospitals as an additional alternative to the hospital naming option.

Responding to Dr. Zirkle’s request, a SIGN Sustaining Surgery award was designed for donations that emphasize the resupply problem facing our sponsored hospitals throughout the developing world. The new award is presented in the accompanying picture. A single patch and attached pin(s) comprise the award. The patch represents one of the thousands of child patients that our project has healed. Each pin represents a $5,000 donation, the equivalent of 50 healed patients. Pins will be awarded for each additional $5,000 donation.

Your Committee believes the change in emphasis for your donations is essential and hopes the change will be welcomed by all our wonderful KiwanisSIGN supporters.

The Educational Part of District Convention!

The purpose of the District Convention (DCON) is enhanced by the opportunity to receive education or training on issues that are important to the members. This year there will be a focus on providing necessary and important training through learning tracks in Kennewick, Washington.

We are fortunate to have Steve Siemens, past President of Kiwanis International, who makes his living as a motivational speaker as a presenter during DCON. He will be presenting two Mega Learning Tracks with a focus on Membership.

Areas that will be covered include:

Steve will discuss the importance of creating an effective membership committee for your club. The importance of that team of chair and committee members will be covered. The benefits of having an effective membership committee in each club will be stressed.

Recruitment of new members will be explored to find what causes people to join. The motivation to volunteer for a good cause will be presented. The importance of demonstrating a strong Leader/Member relationship in your club will be shared. Examples for recruitment events, efforts, advertising, and promotions will be shared.

Steve will cover new members in his talk. What can we tell them to help them become a Kiwanian, and what we can do to ensure that they continue to have a positive experience? The question of how to make new member orientation meaningful will be discussed and examples will be given.

Retention of members will be covered. How do you get members to stay, be involved and excited in your club? Examples of ways to keep the hearts and desires of your members engaged in your club will be shared.

Steve will draw upon his experiences to help each realize that we are all leaders. The strength of our clubs is dependent upon developing and supporting members to become leaders who each have their opportunity to lead in different projects and activities. The importance of becoming a leader who members want to follow will be presented.

The session will conclude with the challenges for the 2017-2018 Kiwanis year. Competitions for members, clubs, and division will be explained. The goal will be each club experiencing growth and new clubs being opened resulting in growth for our Division.

Don’t miss these two Mega Learning Tracts with world-renowned motivational speaker Steve Siemens.

MEET THE CANDIDATES FOR GOVERNOR-ELECT 2017

G.W “Jerry” Deas

I joined Kiwanis in 1970 at the invitation of a Kiwanian from the Kiwanis Club of South Riverside, Portland. Having served as Governor of Circle K of the Pacific Northwest District, it was a natural to continue that service in Kiwanis. Because of that invitation, I have given 47 years serving the children of the world. My service has taken many forms over the years.

I have served as President and Secretary of my local clubs. I had the honor of serving as Lt. Governor of Division 64, of the PNW and while in office formed 4 new Kiwanis Clubs and a Circle K Club. I was honored as a Distinguished Lt. Governor and went on to serve Kiwanis International as a member of the senior staff in Chicago, Illinois. I also served as an International Field Service Representative assigned to work with Districts on membership.

Returning home, I resumed my work in consumer finance and over the years continued my membership in Kiwanis and built another new club in Oak Lodge, Oregon. I have also served the District as Assistant Administrator of Key Clubs and worked on Key Club District Conventions as convention coordinator. I have attended 7 International conventions and 12 district conventions.

My goals, as Governor-elect will be to increase our participation in our District wide projects of KCCP and SIGN.

I want to continue to work as a family with our SLPs within the District. Through working together we increase the strength of our service and our exposure in serving the children of the world.

I also want us to continue our work on the I-Plan. Take one aspect of the plan and work on it this year and then increase to the next aspect and by doing this, you are able to accomplish so much within your communities. Together we can make things happen.

Matt Gregory

“Community service is my life and I want to lead you toward a bright future, fulfilling your potential wherever you are in this great Pacific Northwest District of Kiwanis International.”

“Your Kiwanis service matters!”

“Our revitalization is found in the six Kiwanis Objects, which attracted so many of us to join together in the quest to serve others in need.”

“I joined Kiwanis in 1982 and have served on most all of my clubs committees. I have served as President and Secretary an received Kiwanian of the Year twice.”

Matt has served as Division 28 Lt. Governor twice and is currently serving as Webmaster, Formula Club Counselor, Newsletter Editor, and Youth Protection Guidelines Speaker.

Matt has received the following awards:

1997-98 #1 Club for size
5 times Outstanding Secretary
Mel Dennis Trophy Finalist
Ruby K 5+
Division Website 3 times

Matt is also trained as a Certified Club Counselor for The Formula, as a District Kiwanis Instructor, and has attended nine District conventions and six International conventions as a delegate.

In his career as a Kiwanian Matt has founded a Key Club, a Builders Club (7 year advisor), an Aktion Club (2 year advisor), a Terrific Kids and a Bringing Up Grades (Bug) programs.
Chuck Richardson

Charles “Chuck” Richardson born in south central Kentucky in 1945. Graduated High School and enrolled in Florida Christian College. (back then they were called Junior Colleges)

After attending for one year chuck enlisted in the U.S. Air Force in the Civil Engineering unit. Temporary duty in both Viet Nam and Korea.

Began his career in the United States Postal Service in 1969 as a clerk. Promoted to District Manager, Statistical Programs Data Collections Division in Spokane in 1988. A position he held until his retirement in 2008

Chuck began his journey in Kiwanis in 1997 joining the South Hill club. Since then he has served in every position in the club except treasurer. He was elected to his first term as Lt. Governor Division 46 in 2001 and then again in 2014.

Chuck has attended every District Convention since 2000 and two international conventions, the latest being the 100 year anniversary in Indianapolis. He was instrumental in opening 2 new clubs during his first term as Lt. Governor and was a charter member of the Hillyard club in 2005 and Airway Heights club in 2010. He was, and still is, involved with the Lilac City AKtion club, as well as the Builders Club at Shaw Middle School.

Currently Chuck is an active volunteer driver for the local food bank, Second Harvest, collecting donated food items three days a week.

Chuck’s focus this year is member retention. He believes that if we can close the back door that results in membership loss, we can stem the trend of membership loss in the district that has been occurring over the past 10 years or so.
Incoming Club Officers, Members and Future Leaders:
Did you (or will you) miss the Club Leadership Education Session offered in your division/region? If so, you have the opportunity to attend a special makeup session in conjunction with the District Convention in Kennewick, Washington.

It has been shown that clubs whose officers attend Club Leadership Education generally have more success than clubs whose officers do not attend. For that reason, the Board of Trustees of Kiwanis International has mandated that club officers attend CLE prior to assuming office.

Kennewick will be your final opportunity to attend CLE before the beginning of the 2017-2018 administrative year. Training will begin at 9:00 AM on Thursday, August 24th at the Three Rivers Convention Center. Cost for the all-day session is $50 US/$50.00 CDN if registered by August 1st. Registration after August 1st or at the door will be $60 US/$60.00 CDN. Lunch is included.

Please pre-register by mailing or faxing (faxing is credit card payments only) the coupon below to the District Office by Tuesday, August 1, 2017.

**Zeller Fellows**

Below is a photo of the latest Zeller Fellow in the Kiwanis Club of Moses Lake - Kaye Ward. Zeller Fellows pictured (left to right) are Francie Irwin, Mary Frederick, Brooke Frederick, Louis Logan and Kaye Ward. Altogether, Moses Lake Kiwanis has 12 Zeller Fellows and has given over $15,000 to the Kiwanis-UNICEF “EliMiNaTe Project.” Nine of the Zeller awards have come through Kiwanis Club members and three through Moses Lake High School Key Club. In addition, two other clubs sponsored by Moses Lake Kiwanis - Lakeview School K-Kids and Frontier Middle School Builders Club - have also contributed to the EliMiNaTe Project.

Currently, Moses Lake Kiwanis is raising funds for “Kiwanis SIGN,” which is “Healing broken bones to save broken families.”

**Kiwanis Revisit Vernonia**

On April 18, 2017, two representatives from Kiwanis returned with a generous gift to Vernonia Cares Food Bank. They had been to Vernonia before, shortly after the 2007 flood. Once again, Oscar Domingo, and Jewell Bailey from Montavilla Kiwanis Club and with the help from other Portland clubs in Division #63 coordinated the assembly of ham, cheese, sausage, bread, eggs and other assorted nonperishable items and delivered them.

These high protein food items were happily received and have added nutritious foods to the emergency grocery boxes disbursed through Vernonia Cares Food Bank. The total weight of the food was 603 pounds.

**Renton Clothes Bank**

The PNW entry in the Signature Project Contest was the Kiwanis Club of Renton. The Kiwanis Club of Renton has an amazing Signature Project in their Clothes Bank. The Clothes Bank has been operating helping families in need since 1965.

The Clothes Bank is open to people in need that are referred by several organizations such as Salvation Army, Renton Public Schools, Community In Schools and others.

It is worked by an all-volunteer staff including Kiwanians and others in the community, four days a week all year long. Annually they serve up to 8,000, one-half of which are children. These can be clients’ needs clothing for employment, school or just basic needs.

They have several sponsors throughout the Renton Community including Rotary, Lions, Soroptimist and other organizations and individuals who contribute time, money and resources to this worthy cause.

Late in 2016 The Clothes Bank lost their lease at their pervious location and was scrambling to find a new location, and it was looking like they would have to close. The City of Renton stepped up with a new location and a two year lease. The Clothes Bank was saved. They relocated and are now running like nothing happened.

President John Pozega does a wonderful job of keeping this project on target and making sure things run smoothly. John and the board of directors deserve the thanks of all.

The Kiwanis Club of Renton board is doing what they can to fulfill Kiwanis’ focus on changing the world one child and one community at a time. By making sure the children of Renton have adequate clothing, they have one of their very basic needs of life met.

Kiwanis International Website Update!

On Monday April 4th, Kiwanis International and the Communications Team launched a redesigned Kiwanis.org website. Assets and information are being migrated over from the old site to the new one. Included below is a screen capture of the full home page for you to see the different look and feel of it. Joan and I wanted to provide you a heads-up on the update, as I’m sure many of you will have questions yourselves and from members in your district. We both value your feedback – please feel free to share any input or questions with us, and we’ll work to provide answers or share your thoughts with our Communications staff.
