The Kiwanis Mission
Kiwanis empowers communities to improve the world by making lasting differences in the lives of children.

Your Club Makes Our Mission A Reality!
WOW! What a Year!

Thanks to the work of all Kiwanians across this great District we are changing our communities through service that has impact. It is my honor and privilege, as your Governor, to experience firsthand so many of the ways we change communities. I’ve been to Cason’s Place in Pendleton, Oregon and seen an amazing facility that provides support for children and families grieving the death of a loved one. I participated in a symbolic groundbreaking ceremony in Fairbanks, Alaska for a Kiwanis playground in the midst of what was once a wasteland of high crime and is becoming a center of healthy community activity. I’ve toured the three hospitals in Portland, Seattle and Vancouver that are the heartbeat of the KCCP program and seen the dedication and hard work put in by the fellows that Kiwanis sponsors. At Thurston High School I witnessed 757 kids with disabilities compete in an Olympic style event called “Day of Champions”; rewarding beyond belief. I’ve presented an Every Day Hero Award to a dog in Eugene, Oregon, K-9 Falko. I was present in Richland, Washington when the United States Secretary of Defense recognized Dr Zirkle for the work done by S.I.G.N. with the highest award given to a civilian by the Defense Department. I’ve participated in multiple CKI and Key Club events and experienced the thrill of youth leadership in action; but also witnessed the pride and dedication of the many Kiwanians serving as program and area administrators for these Kiwanis Family Members. I’ve visited food banks, thrift stores, parks, schools and many other Kiwanis activities. By now you probably get my point; Kiwanis changes communities in every area of the Pacific Northwest District with service that is making a difference. These are examples of why we are Kiwanians and I am proud to serve as your Governor.

“Membership Priority #1” has been one of my two themes this year with the other one being “Serve With Passion”. The service examples above happen because Kiwanians are serving with passion. On the membership side we also have some great results. As of the first of June, we have opened 4 new clubs and we have an additional 4 clubs nearing completion. Some of those will likely happen by press time for this article. Congratulations are in order for all who have worked so hard to make this happen and especially to our membership co-chairs, Kathleen Moylan and Jackie Sue McFarlin. As a District we lead all of North America in membership net growth with just over 7% since October 1st.

Many people say things are really great on the membership numbers, so why continue to push membership growth. The answer is simple. Our history for the past eleven years is that we have had a net loss of more than 250 members after the September/October purge. (That means we would lose more than 750 members from where we are right now and in fact International is projecting we will lose 804 members). That is planning to fail and I for one, refuse to plan to fail and I am asking every PNW Kiwanian to make every effort to continue the growth that we have experienced in the first 8 months of this Kiwanis year. This is the year that we must break that cycle. This is not about attaining numbers; but rather about continuing to have a community service impact that changes our communities. We need members to provide the impact our communities deserve and need. How can we do this? My answer is through “Operation Engagement”. I hope that every club is already actively involved in this effort already; but if you are not, there is still time. See the details for this program to retain and actively engage every member in their local club on pages 10 &11.

We want to have some fun along the way also, so put on those hats and boots and mosey on over to Spokane for the western hoedown at Tri-District Convention. You may as well leave those red jackets at home since they won’t be in style; just western casual. And speaking of service we provide, this year at convention our service project will be trauma dolls. Spend some time during convention at the table stuffing those dolls for distribution across the District. If you work on ‘em you can take some back to your community. Check with project chair Evelyn Chapman if you can help - 2elc@comcast.net

Thank you for serving with passion and keeping membership priority #1. Let’s finish the year strong.

Your 2017-2018 Governor Roger Bell
A Reason To Celebrate!

In January of 2019, the Pacific Northwest District (PNW) will celebrate its 100th anniversary. Last year, we recognized Ron Myer as the 100th Governor and had the 100th Convention and this year will make history with our first Tri-District Convention (DCON). Tacoma, Portland, Seattle, and Vancouver Clubs will all celebrate their 100th anniversaries along with the PNW.

Just surviving or even prospering isn’t the real reason to celebrate this historic milestone. What needs to be remembered is the people and children that have been touched by Kiwanis members and clubs in the PNW and world-wide.

Think of how many high school students have been given training and opportunity because of our Key Club program. Imagine how many CKI members have been inspired to achieve their dreams because we chose to sponsor them in learning and growing? K-Kids, Builders Clubs and AKtion Clubs have touched how many lives since each program was created?

Kiwanis members have touched millions of children in the past century. The recent world-wide programs like Eliminate and IDD gave so many children the opportunity to grow up. Our District projects like KCCP, SIGN, and SOS help children and families when they are in crisis.

If you were to imagine the DCON Convention Center in Spokane filled with a tenth of those who have been touched by PNW Kiwanis members over the past century, the entire city would be standing room only.

When you add to that, the personal growth of the Kiwanians who learned leadership skills and how to better serve their fellow man, the reason to celebrate becomes not an opportunity, but an obligation.

Join Roger and his team in celebrating a Century of Service in the PNW. You can join in the fun in a variety of ways.

- Attend the DCON in Spokane, WA August 16-19
- Purchase a coin commemorating the anniversary
- Purchase one of no more than 100 medallions to help pay off the mortgage on our District Headquarters
- Purchase a Tee-Shirt showing your pride in the PNW
- Ask a someone you know to join your Club this month.

Don’t take this anniversary as just another date to observe. Recognize the impact that you and your fellow Kiwanians have had in the last 100 years and begin the next century with the bold statement that it’s only going to get better.

The “Centennial Express” is loaded and ready to roll on down the rails to celebrate 100 years of the Great Pacific Northwest District. Our team of Lieutenant Governors selected “Centennial Express” as our team name and I am so proud to carry the banner as we travel the district sharing the history with you this coming year. You will hear more of the celebrations planned when we gather in Spokane for our first ever Tri-District Convention with PNW, Montana and Western Canada on August 16-19, 2018.

This will be an exciting hoedown with some great Kiwanians from all over the Northwest regions. I hope I see you there as we celebrate the great accomplishments of Governor Roger Bell and the RAT Pack this past year. They have been busy RATs and I hope we can keep up the steam with our express rolling through the district. Your help will make that happen. My hope is that I can count on you to make new history in the PNW.

During the first weekend of June, 2018, the Centennial Express Team gathered in Federal Way, Washington for our training and to receive information that will help grow the Pacific Northwest this coming year. We were so honored to have with us Governor Esmeralda Hernandez and Governor Ingrid Radford from the PNW Circle K (CKI) and Key Club. Both talked with the team and shared our vision for the Kiwanis Family. I am so excited to be able to work with these two dynamic Governors and we will truly make up the Three Musketeers in PNW. Both Governors will be with us at the hoedown so you will have a moment to meet with them.

Since our training, I have been honored to work with the team in planning our year and also working with our CKI and Key Club members and watching them excel in service to our communities. Our CKI members are working on assisting in communities to make summer activities alive and vibrant and our Key Club members are working with our local hospitals in creating Trauma Dolls and Blankets for the children. This just makes me burst with pride and I can’t say it enough—thank you for all this work you do in serving the children here in the district and globally with your international projects dealing with water issues. Key Club and CKI just rock.

It is truly an honor to work with Key Club Lt. Governor Anthony Alvarado on K-Family Relations in the Pacific Northwest District of the K-Family. Anthony has a terrific article in this issue of the builder and I am exchanging a K-Family article in the Key Club Espresso. We hope to continue these shared resources throughout the year. Anthony will be with us at the hoedown in Spokane, WA, so take a moment to thank him for his contributions to our family.

We have three months left in our administrative year and this is the best of times when we as the “Centennial Express” can think of where to extend our service to children in communities without Kiwanis, and work with the RAT Pack to make this a banner year for PNW. Let’s make Roger the “RAT” shine shine shine.

With all our efforts we can do this for the children. Our membership growth team is ready, willing and so able to help you. This train is rolling down the tracks and I so hope you can board the express along the way. Through your efforts we will truly have a great year. The year starts now to help Governor Roger and his team. Can we count on you? This is my hope. And always remember,

IT’S GREAT TO BE A KIWANIAN

Governor-Elect

A message from 2017-2018 Governor-Elect Jerry Deas

From The Governor-Elect
On Sunday, February 25 the Pacific Northwest (PNW) Kiwanis Board adopted a new program to celebrate the 100th Anniversary of the PNW District on January 17, 2019. In recognition of the 100th Anniversary of the PNW, we are offering two unique and collectable items, a coin and a medallion.

Medallion: In recognition of the PNW Centennial, there will be no more than 100 of this two and half inch numbered medallion struck. Each of these medallions will be sold for $500.00 except for #1. All medallions must be pre-ordered. Medallion number 1 will be raffled off at District Convention (DCON) in Spokane in August. Each raffle ticket will cost $5.

Coin: There will be unlimited pre-ordered numbered silver coins with gold highlights. Each coin will cost $250 with an optional bezel and lanyard to allow the owner to wear the coin as a medal for an additional $50. Number one coin will be auctioned off at District Convention.

Coins and medallions will be delivered to DCON at Spokane in August 16-18, 2018.

Please use the order form on the next page to order your coins and medallions. While clubs should send their check or credit card information to the District, US members may make their payment to the PNW Foundation for tax benefits. The PNW Foundation has graciously made this one of their projects this year. Remember to take advantage of this tax deduction, your members need to make the check out to PNW Foundation and put Coin/Medallion in the memo line or note it on the credit card information of the order form.

To get all members in the mood for celebrating this historic milestone, our members may pre-order a Limited-Edition T-Shirt. Please see the T-Shirt order form in this issue.

Join in celebrating the birth of the PNW on January 17, 1919 with a coin or medallion for you, your club, or as a gift to a deserving Kiwanian. All profits from this program will be dedicated to reducing and hopefully paying off the mortgage on the District headquarters which will benefit every member in our great District.

– Ed Luttrell, District Secretary
The Pacific Northwest District will be celebrating its 100th Anniversary in January 2019!

To commemorate this milestone we have created two collectible items.

The first item is a silver coin with gold plated select areas. The approximate size of the coin is 39mm. A lanyard and bezel can be added to allow the coin to be worn. Each coin will also be individually numbered.

For delivery by DCON place your coin pre-order before the cut-off date of July 1, 2018.

Each coin is $250.
To add a Lanyard and Bezel is $50.

The second item is a bronze finished medallion. The front features the 100th Anniversary design and the back features the Kiwanis Mission statement. The approximate size is shown below. Each medallion will also be individually numbered.

A maximum of 100 medallions will be struck, so order early to reserve yours.

Each medallion is $500. Quantity is limited.

Items are pre-order only. Use the included form to place your order.
For delivery by PNW/DCON in August the cut-off date for all pre-orders is July 1, 2018.
Cost shown is US dollars.
Order Your Coins and Medallions Now!

100th Anniversary Commemorative Silver & Gold Coin: Qty. ____ x $250.00 = _______

Lanyard and Bezel (to make coin wearable): Qty. ____ x $50.00 = _______

100th Anniversary Commemorative Medallion: Qty. ____ x $500.00 = _______

Total = _______

For delivery by the 2018 PNW District Convention (August 16-19, 2018) place your item pre-order before the cut-off date of July 1, 2018. A maximum of 100 medallions will be struck, so order early to reserve yours. Initial delivery will be at 2018 DCON in Spokane. Orders not picked up will be shipped.

Operation Engagement is a simple effort to engage every Kiwanian in the District in re-committing to serving their community with passion and purpose. This program will begin June 1st by asking every club to ask every member three (3) basic and direct questions.

1. What could/should our club do for you?
2. What club activities are you aware of?
3. What ideas do you have for our community?

This assignment could be handled by the club membership committee or a special committee appointed by the President. The gathering of information should be completed during the month of June with the collected answers brought to the club board without identifying members by name. The board should then identify how to address any suggestion over the next three months. The goal here is to provide information and tools for retaining current members through active engagement of their individual passions.

Every year the PNW District gains members and then in September we see what is known as the “Kiwanis Dump” where clubs purge their membership lists. When a person is dropped from membership, club secretaries list 1 of 8 reasons why that loss occurred. Let me share my view on why these reasons are chosen and some possible solutions:

1. Attendance: from talking to many clubs this is because the member just doesn’t come to meetings or projects any more. They are viewed as non-participants.
2. Lack of Interest: I believe this to be a sign of non-involvement, just not feeling like they are a part of the group or they don’t feel welcome.
3. Lack of Time: This is the result of feeling like they must do everything that the club does, or else they are just not an active member.
4. Business Pressure: Can this be because it is easier to leave than ask to step back a little from the level of past activities while business obligations require a little more time?
5. Health: I think we can assign tasks according to health limitations that still provide a sense of importance and participation.
6. Non-payment of Dues: In many cases this is because the member is simply disengaged.
7. Deceased: I accept this reason that they have moved to the eternal Kiwanis Club.
8. Other: Just a catch all when no other reason seems to fit.

If we do nothing different than we have done for the past 11 years, we will experience the same results and telling ourselves the excuse that there was just nothing we could have done to change the results. However, I honestly believe that if every club will participate in this simple process, regardless of your club size, that we will change our current course of decline and will strengthen our clubs in the process. The rest of the Kiwanis world will be asking what happened for the PNW to grow? Our answer is that we are passionately changing our communities.

Be excited and participate in “Operation Engagement” for positive change in your club!

Incoming Club Officers, Members and Future Leaders:

Did you (or will you) miss the Club Leadership Education Session offered in your division/region? If so, you have the opportunity to attend a special makeup session in conjunction with the District Convention in Spokane, Washington.

It has been shown that clubs whose officers attend Club Leadership Education generally have more success than clubs whose officers do not attend. For that reason, the Board of Trustees of Kiwanis International has mandated that club officers attend CLE prior to assuming office.

Spokane will be your final opportunity to attend CLE before the beginning of the 2018-2019 administrative year. Training will begin at 9:00 AM on Thursday, August 16th at the Spokane Convention Center. Cost for the all-day session is $50 US/$50.00 CDN if registered by August 1st. Registration after August 1st or at the door will be $60 US/$60.00 CDN. Lunch included.

Please pre-register by mailing or faxing (faxing is for credit card payments only) the coupon below to the District Office by Wednesday, August 1, 2018.

**YES!** Save my spot at the CLE Makeup Session. Enclosed is my payment of $50 US/$50.00 CDN.

SILENT AUCTION

to benefit the PNW District Outreach Fund

For the tenth year in a row, the Cascadia Internet Club will be administering the PNW Outreach Silent Auction for the 101th PNW District Convention in Spokane, Washington.

Proceeds from the Silent Auction go to the PNW District Outreach Fund to support critical Service Leadership Program activities such as:

- **Scholarships to Key Leader Weekend for Key Club District Board Members**
  (Officers, Lt. Governor, Committee Chairs)

- **CKI Officer Travel to the Governors and Administrators Training Conference in Indianapolis**

- **CKI Board Member Travel to CKI Leaderscape Training in Indianapolis**

- **Key Club and CKI Officer Expenses to the Kiwanis District Conventions**

- **Making the expense of the CKI District Convention affordable for College Students**

- And many more...

The auction is administered by the Cascadia Kiwanis Club. Proceeds go to the PNW District Outreach Fund.

YOU CAN HELP OUR YOUTH BY DONATING A GIFT BASKET FOR THE AUCTION
(And, of course, by bidding!)

Items from your corner of the District are always appreciated and donated items may also include gift certificates for products and travel.

The Gift Basket minimum value should be at least $30.00. Donated items or baskets that are valued at less than $30.00 may be bundled together to make a larger basket.

Please turn in your basket to the Cascadia Kiwanis Auction Receiving Table and include a list of what is included in your basket.

It is important to be known that the close relations within the Kiwanis-family is essential to the success of the mission statement for all branches of the Kiwanis International Corporation. Whether it be from Kiwanis, creating opportunities for the children of the world; or even from Builders Club, who focus on growing future leaders, ensuring that all branches work together will help the progression of such missions.

My name is Anthony Alvarado and while I may serve as the Key Club Lieutenant Governor of Division 30, I also serve as the Chair for the Kiwanis-family Relations Committee. The purpose of this committee is to increase the awareness of Key Club to all other branches of the Kiwanis-family, in addition to increasing the awareness of the many other branches of Key Clubs. More importantly, while I may be the chair of the committee, the other Lieutenant Governors and fellow Kiwanians that serve with me have as much as a vital role to the success of the committee as I do. The goals we have continued to set this year focus on the augmentation of knowledge; while also focusing on the differences and similarities within the branches.

To begin with the discussing of our goals for the year, the Kiwanis-family Relations committee would like to start the process of promoting existing resources in order to make these assets well-known and greatly utilized. Several directories and guides were created by the 2017-2018 Board, and the current K-Fam committee excited for them to be published. Throughout this upcoming year, our committee is also going to effectively promote one of Kiwanis Internationals’ most important days of the year: Kiwanis One Day. The Kiwanis One Day is an event held around the world where all Kiwanis clubs come together and perform services for local areas. By focusing on encouraging all branches of the Kiwanis-family within the Pacific Northwest to come together on the fourth Saturday of October (October 27, 2018), we can increase the impact of our service in the communities that our clubs represent. Another focus of the Kiwanis-family Relations Committee is promotion of Key Club to other branches of Kiwanis.

While being the largest district geographically, including five states within the U.S. as well as two provinces in Canada, the Pacific Northwest district is an extremely diverse region. From Division 28 located in Washington to the AYS District in Alaska, where some clubs are only accessible by airplane, each division is distinct in its own operations as well as relations. In order to help promote Key Club to our Kiwanians, our committee is devoted to doing whatever it may take to make this goal a reality. The Key Club District Governor, Governor Ingrid Radford, will be visiting some of the most remote clubs, as well as attending several important events across the district. During this time, our committee is carefully working to ensure that the District Governor has the tools needed in order to promote Key Club to all other branches of Kiwanis -- working with Kiwanians along with the many other branches to clearly define roles of sponsoring clubs as well as advisors. This will assist the committee in accomplishing one of our biggest goals: strengthening our clubs through new partnerships within the the Kiwanis-family.

Not only is the Kiwanis-family Relations Committee working diligently to make sure all needs and goals for continuity of knowledge are met, but many more are doing their own part. This year, every Key Club in the Pacific Northwest District will be expected to be actively communicating with and serving with all branches of Kiwanis -- especially Builders Club and CKI. Our committee has also recently began encouraging each Key Club Lieutenant Governor to hold at least one rally during their term that includes different clubs as well as different branches of Kiwanis. By implementing these ideas into our committee directives this upcoming year, The K-Fam committee is able to ensure that more projects for our communities are performed this year, as well as being able to increase the impact of our service on a local level.

To provide an insight to the effects of working together with all different branches, I would like to describe an event that a small high school in Buckley, Washington completes every winter. Towards the end of november, the White River High School Key Club advertises for a toy drive -- collecting toys from the staff and students at the school school, as well as collecting toys and donations from businesses in the local area. While this is occurring, the Kiwanis of Buckley advertises to the clients of the Buckley Food Bank along with other members of the community to partake in this event. In conjunction,
both clubs plan out a “Christmas Party” at the high school to provide families that have economic struggles with additional gifts for their children during the Christmas season. While the Kiwanians -- with the assistance of middle school Builders Club members -- keep the children attending the event occupied with games and pizza, the Key Clubbers help the parents select the appropriate gifts for their kids while keeping record of what has been selected. This recent year, the event benefited 28 families and over 85 children. With the assistance of both the Builders Club and the Kiwanis Club, the White River High School Key Club was able to make a huge impact within their small community, proving the efficiency of working together.

The Pacific Northwest District can implement hundreds of helpful programs and services, as well as provide a plentiful amount of resources; however, they will all prove to be completely useless unless you — a member of Kiwanis Family — decide to use these immensely powerful tools. American innovator and businessman Henry Ford once said “Coming together is the beginning. Keeping together is progress. Working together is success.” This idea presented by the creator of the Ford Automobile Company, highlights the importance of ‘togetherness’. This idea is crucial to the success of our service, and together can we change not only our communities — but the world.

Consistently successful clubs consistently train their leaders. Plan now for all of next year’s officers and potential future leaders to get that training at one of our Club Leadership Education (CLE) sessions. We will be adding a few more to shorten the distance you must travel to attend. Look for these soon.

The doors to the classic garage at the District headquarters was replaced with a modern roll-up door to provided better security and weather proofing. The look of the original was kept with decorative hinges and handles.

Club Leadership Education
(CLE) Is For Everyone

A club’s board of directors is composed of elected directors and club officers. Most of the business of the club is handled by the board of directors. The board determines the policies and activities of the club, approves the budget and bills to be paid, gives counsel to committees and handles general management of the club.

Each officer position has a set of responsibilities and resources to guide them. Kiwanis International requires club presidents and secretaries complete CLE to ensure that club officers are equipped with the tools they need to succeed.

The leadership guide contains useful information for a variety of division and club leaders and is available from the District office or can be downloaded at:

Every Kiwanis club secretary, president and lieutenant governor receives a copy. If other club leaders could use the information in this guide, please feel free to request or download a copy for them.

While every member can access any online training provided by KI through their PortalBuzz page, the on-line CLE training is intended to be a resource of basic officer information for those who missed their training, not to replace the instructor led session.
Service In Moses Lake

Working together Kiwanis and Rotary accomplish much! In 2011 P.J. DeBenedetti, a Kiwanian in Moses Lake, Washington, told some Rotarians about the need for a new Boys and Girls Club facility.

A Kiwanis-Rotary golf tournament to raise funds resulted. The original plan was a “one-time event,” says DeBenedetti. Yet it went so well, it continued and grew.

The first two years, the joint golf tournament proceeds of $18,000 went towards the building of the clubhouse. One of its rooms is identified as “Kiwanis Arts and Crafts Center.” Through a later tournament, a Rotary grant and donations, approximately $30,000 was raised for computers for the clubhouse.

2013 Kiwanis Club President Francie Irwin, a retired school nurse, instigated that the Kiwanis-Rotary Golf Tournament profits be used to purchase Automated External Defibrillators (AEDs) for schools. A grant from Kiwanis Children’s Fund also helped. The next year the tournament funds were used to purchase AEDs for the local community college. Between schools in 2013 and the college in 2014, forty-seven AEDs were purchased.

A Kiwanian, who serves on the Moses Lake Public Library Foundation, convinced a joint-club planning committee that funds raised through another Rotary-Kiwanis tournament should be used for mobile shelving in the children and youth sections of the library. Later, Rotary hosted a celebration picnic.

The local sheriff’s K-9 program was the recipient of approximately $13,000 raised by the 2017 golf tournament. The local Sheriff stated, “We are grateful for all the support and generosity which made a dream a reality.”

The proceeds from 2018 will go towards the purchase of a K-9 by the Moses Lake Police Department. Over $17,000 has been pledged towards this year’s tournament.

Ted DeWitt, a Kiwanis golf tournaments leader, points out, “By pairing up we have a far greater impact on improving our community than alone.” In six years over $100,000 has been raised by two small clubs.

Current Kiwanis President Tom Heath states, “With both clubs committed to the continued success of this tournament, the Moses Lake community will continue to benefit.”

Stanwood-Camano 50th Anniversary

The Stanwood Camano Island Kiwanis Club passed the 50th anniversary of receiving its charter on December 12, 2017.

The anniversary was celebrated by 45 members, former members, friends and guests on March 23, 2018 at the Stanwood Senior Center.

Our honored guest was Roger Bell, current Governor of the Pacific Northwest District.

The celebration began with an opening statement by Club President Glenda Mitchell followed by an invocation by Past President Robert Mitchell. Governor Bell then thanked the club for its year of service.

A wonderful buffet dinner was served by the Senior Center.

The Kiwanis Club sponsors youth programs in Stanwood and on Camano Island: K-Kids Club in the elementary schools, Builders Clubs in the middle schools and a Key Club in the high school.

An Aktion Club for young adults with handicaps is also sponsored.

Over the years, numerous scholarships have been provided to graduating seniors from the high school.

The club also runs an E-Cycle program in Stanwood and does road cleanup within the city.

We meet at 7:00 am each Thursday in the social room at the Stanwood Senior Center. Feel free to visit us and learn more.

Reading Is Fundamental For Youth

The Kiwanis Club of Corvallis Sunrisers has always strongly believed that a love of reading is fundamental for all youth.

Through our partnership with Scholastic, Inc., we have funded and promoted the giving away of “free books” to Lincoln Elementary School (each child receives 2 books per year) and we provided a book for each child who participated in our Annual Easter Egg Hunt Project.

Plus we donate through the SMART (Start Making a Reader Today) at local area schools to support free books for their participants; and, we provide financial support for the Reading Buddies Program through Cheldelin Middle School.

Now, we have partnered up with Willamette Neighborhood Housing to provide books for kids living in their lower income apartment communities. Peggy Henson, Chair for our Books for Kids Project, coordinates with the apartment managers for the use of their community rooms once a month through the summer; at which time a Kiwanis Sunriser reads stories to the kids and afterwards each kid gets to select a book of their choice to take home with them.

Dear Grant Committee,

Thank you again for your generous grant to help fund our annual Kiwanis Day of Champions that was held on 24 May at North Thurston High School in Lacey, WA.

660 disabled students participated; they represented every school district in Thurston County and also included 5 schools in Mason County. There were close to 200 student volunteers that included Key Club representatives from the high schools that participated along with cheerleaders and mascots. Military volunteers from the Army, Air Force, Navy, Marines and National Guard as well as Kiwanis and community volunteers provided additional support. Local Police, Fire, City Parks and Rec, Intercity Transit, South Sound Reading Foundation and numerous community support groups assisted and shared information with parents and spectators. It was a true community effort!

All participants received a free tee shirt, medal, lunch and a book from the South Sound Reading Foundation. All volunteers received a tee shirt and lunch. We now aptly refer to this event as the “Day of a Million Smiles”. Thanks to the generous donations of local business owners, individuals and your foundation, we can continue to provide this wonderful event.

I am sending links (via e mail) to the media coverage and photos so that you can truly appreciate what this event is all about.

Thank you for your support.

Law Camps

PNW Foundation President Margie Wilson is greeted at the Washington State Governor’s Office by WSP Cadet Christopher Frost. Cadet Frost is a graduate of the 2013 Kiwanis Law Enforcement Youth Camp, and is now working towards becoming a Washington State Patrol Trooper. His current assignment is as a security cadet at the Governor’s Office. Congratulations “Frosty”!

Chris Neal was named Corrections Deputy of the Quarter by the Franklin County Sheriff’s Office. Chris is a graduate of the 2011 KLEYC. Here is Chris back in 2011!
**Kiwanis and SIGN in Ethiopia**

The following story demonstrates how small and mighty our Kiwanis family is halfway around the world.

I recently ran into a friend in Abbotsford British Columbia that I had not seen in twenty years. As friends do, we questioned each other about what we have been doing in the past years. My friend Eve Pohl is the founder and director of an organization in Addis Ababa called Hope for Korah. The organization works with the local people who live in the garbage dump and also contains a leprosy colony. Hope for Korah has started a day program for children and housing for seniors living with leprosy. [www.hopeforkorah.com](http://www.hopeforkorah.com)

I mentioned to Eve that I had visited Addis with a number of KEY club students and had visited the Black Lion Hospital to tour the Kiwanis SIGN-Fracture care program and met Dr. Biruk. As we parted I gave her my Kiwanis card and stated if she ever needed help to contact me.

Forward a month and I received an email from Eve. One of the elderly men, Aba Tirasu had fallen on the way to visit his family. He had broken his leg and hip. A trip to the hospital indicated he would have to wait 10 months for surgery or go to a private clinic at the cost of $3500.00. I asked Eve to send me more information and she sent the x-rays taken at the hospital. I forwarded these to Dr. Zirkle and Dr. Biruk.

**Dr Biruk Lambiso has helped us too much on the following problems of Aba Tirasu's fracture:**

- Helped Aba Tirasu in avoiding the severe pain due to the fracture which may take about a year!
- Helped our nurses and care takers by avoiding suffering of nurses and care takers (It was very difficult to move Aba Tirasu from bed to health facilities, to laboratories, to toilet, because of his weight and unable to walk)
- Helped our project from investing a huge money (70,000.00-80,000.00 ETB) if the surgery is undergone in private Hospital

The amazing and surprising thing is that, Dr Biruk (Head, Department of Orthopaedics & Traumatology (AAU); Associate Professor of Orthopaedics; Consultant Orthopaedic Surgeon at Black Lion Hospital (BLH), ETHIOPIA; President, Ethiopian Society of Orthopedics & Traumatology (ESOT); Chair, Federal Health Professionals Ethics & Malpractice Review Committee of Ethiopia;) is now willing to be a partner with our organization to help us anytime when we need him for Orthopaedic cases.

Thank you, Kiwanians for your continued support of the great work SIGN-Fracture care does throughout the world. It is through your donations that miracles such as Tirasu’s are possible.

- Ann Penner, Co-Chair Kiwanis-SIGN

At the SIGN-Fracture Care conferences I have had the privilege to meet Dr Biruk Lambiso the head of orthopedics at the Black Lion. I contacted him and Dr. Zirkle. Both answered me immediately and each other. Within days, Aba Tirasu was a patient at the Black Lion hospital.

After a few days of tests and preparations, Aba had his surgery. Coincidently the same time division 18 was having a SIGN fundraiser sponsored by the restaurant where the Kiwanis club of Abbotsford, and Clearbrook meet.
