The Cover

This issue’s cover photo by Nils Rasmusson is a close up image of Museum of Glass on Tacoma’s waterfront. Noted for its distinctive architecture, the massive 90-foot-tall stainless steel cone houses the world’s largest Hot Shop Amphitheater. You can feel the heat and watch the artists in action. In the galleries you can experience 20th and 21st-century glass art with changing exhibitions alongside the Museum’s permanent collection. Outside are the reflecting pools and the Chihuly Bridge of Glass.

The Kiwanis Mission

Kiwanis empowers communities to improve the world by making lasting differences in the lives of children.

Your Club

Makes Our Mission A Reality!
The “Centennial Express” is rolling down the tracks through the great Pacific Northwest District and clubs, divisions and individuals are all involved in making things happen. You all can be proud of the team effort in our district and I want to share some of those accomplishments with you.

As the Engineer of the Express, I have pulled in to small towns and large cities to see the work of our Kiwanis Clubs. At the beginning of the train leaving the station, I had the opportunity to visit the “Kiwanis Market” in Osoyoos, BC. What a fabulous place, doing so much good for the community: a city park, a new bandstand in the park and many community wide activities with their Key Clubs and Aktion Club members. It was time for the train to continue on down the tracks.

One of my personal goals was to begin the year with a full crew. Need lots of conductors to run the train and I am so pleased to announce that the team is complete. We ventured over to Division 13 in the Vancouver, BC area and picked up Charles Anderson and then headed on down the tracks to Burlington, WA and did a bit of refueling and welcomed Steve Omdal from Division 20M. Once refueled the train took off south to catch up with Dick Muri in Division 34 in Steilacoom, WA. With Steve on board, we now have a full board of Trustees consisting of the five district officers: Governor, Immediate Past Governor, Governor-Elect, District Secretary, District Treasurer and 35 Lieutenant Governors. I have been told that it has been quite a while since this has been done. But it happened because of you. Your dedication and commitment made this happen and I so appreciate all that you do in “Serving the Children of the World.”

During this train ride throughout the district I have had the wonderful opportunity to visit with our Aktion Clubs in Osoyoos, and in Division 32. I also stopped off and visited with the Key Club District Board and the CKI District Board at their fall meetings and look forward to being with them at their conventions in the next couple of months. If you have not attended a Key Club or a CKI Convention, you have not experienced all that is the Kiwanis family. This is something you will not want to miss.

Speaking of events, YOU will NOT want to miss the Mid-Winter Conference and celebration of the 100 years of the Pacific Northwest District. Our 100th anniversary party will be held in Bellingham, WA at the Holiday Inn at the Airport the weekend of February 22-24, 2019. Registration will be open and online now. Visiting will be Ernest Schmid, International Trustee from Austria. Governor Ingrid Redford, Governor Esmeralda Hernandez, International Trustee Ernest Schmid and I will officially begin the 2nd 100 years of the PNW with the cutting of the cake. During the weekend our first 4 clubs built in the district will host one of the meals and the first club built in 2019 will host as the 1st club of the 2nd 100 years of PNW. Interclub credit will be given for meals with Seattle, Tacoma, Portland, Vancouver, BC and our first 2019 club. The weekend will be jam packed with excitement, education and a whole lot of fun.

Excitement is also in the air as we continue work on grown and club development. We have a club building blitz set for January 20-24. This will be a great opportunity to board the Express and create new Kiwanis Clubs in the area. Just let me know and we can get you on the team.

The train is pulling into the station for some needed rest and relaxation but getting ready to head on down the tracks soon.

Remember…I’IT GREAT TO BE A KIWANIAN!

Wow, we’re almost through the first quarter of our Kiwanis year! With the holidays upon us, we slow down a bit to enjoy our families and friends and yet, we have more club service projects going on to help our communities at this special time of year. It’s truly a magical month…enjoy!

As I write this, my head is swirling with memories and thoughts and ideas resulting from two trips over the last 30 days. First was Governor-elect training at the International office in Indianapolis in mid-November. What a thrill it was to tour the building, meet the staff, gain ideas and discuss common issues with my classmates from all over the world who came together to become better leaders of our Districts. We have an amazing and dedicated class with a wonderful President in Daniel Vigneron who lives in Belgium. You’ll hear plenty more on that from me over the course of the year!

Then, a couple of weeks later, I was honored to participate in a mega blitz to build five new clubs in Atlanta, Georgia. I really love working on opening new clubs and talking about the joy of being a Kiwanian. The result from involvement in the blitz is a big desire to make our Membership team larger and ever stronger to be able to build more clubs and strengthen all our current clubs. More members mean more service, especially to children, and stronger communities. We need to see many more members in this great District get involved in new club building or coaching. It was an amazing and satisfying experience to build those new clubs in only 3 days. I hope you’ll bring your passion for Kiwanis to the training that we will provide this year.

As you may or may not know, one of my main roles as Governor-elect is to determine the education that is provided to members during the year. Our education team is hard at work on both the Mid-Winter Conference and District convention learning tracks, as well as completely reworking our Club Leadership Education (CLE). My plan is to get creative and shake things up a bit with member education – I need to hear from members with your ideas and needs. Email or call me!

Earlier this Fall, the decision was made to cancel the Regional Conferences again this year, so I’m hoping many members will decide to take advantage of the meetings and training we will present at the Mid-Winter Conference in Bellingham February 22-24, 2019. One of my goals for the education portion of the conference is to help club members learn more about strengthening our clubs (aka, “booting,” to use a new word I picked up in Atlanta). Another goal is to provide an interactive, hands-on session about how to open clubs. Governor Jerry has a goal of adding 9 new clubs in the PNW this year to bring Kiwanis service to more communities, but we need more people actively helping. It’s great fun to talk to people about our mission to help children and communities and invite them to join us! So, there will be 3-hour learning tracks on Club Opening and Club Strengthening, along with 6 shorter sessions on other topics of interest from which to choose. I hope you’ll take advantage of this great training.

I also hope you’re saving the dates this summer to attend both our District Convention in Portland and the International Convention in Orlando, Florida at Disney World. They will both be fun-filled and educational, as well as social opportunities to mingle with other Kiwanians. Look for information about both conventions and register early.

Although it’s still early in the Kiwanis year, it’s already time to think about elections and succession planning. Divisions will need to choose Lt. Governors within the next few months and candidates for Governor-elect will be out campaigning, too. Please take the time to get to know these people who step forward to lead our great District…or you may want to be one of them!

As I wrap up this lengthy article, I thank you for reading it and remind you to…Catch the Excitement! Be passionate, creative and above all, have fun and share your Kiwanis pride!

Training is for Everyone

In November, I attended the District Secretaries training session in Orlando, Florida. Yes, it was quite the sacrifice to travel to Disneyland on behalf of Kiwanis...but in all seriousness, everyone needs to attend training sessions.

The training began with a reception on Sunday evening. Monday the activities kicked off with introductions and then a recap of the just completed Governor-Elect Training Conference. We learned what was discussed among the group that will be leading us next year so that we can offer more assistance to them.

The KI staff left the group to allow a discussion among the District Secretaries. This was followed by a discussion of what a training program for new District Secretaries would look like.

We then had a presentation on what is new with our KI Partners and then KI’s Trademark Licensing policy was presented and explained. Not all of our questions were answered, but the discussion was great.

Then a possible new Portalbuzz tool for District leaders was shown to the group and we had the chance to make comments and offer suggestions.

The next morning, we started with the financial reporting requirements to KI. This presentation was followed by a discussion on the Kiwanis Leadership pipeline that is needed for long-term sustainability of our organization.

We then had presentations of projects and activities that some districts are doing that are creating success. The Kiwanis Children’s Fund was explained, and the new Club grant program was presented.

Following lunch, the Convention site was toured, and the opportunities and challenges were shared with us. COO Jeff Oatess gave us some great updates on the achievements of our organization over the past year and highlighted some of the challenges facing us. Then a Q & A session was held and finally a wrap up ended the training.

Your District leaders invest in time and money to attend training sessions and the goal is for each of us to do our jobs better and to learn new techniques. The reason we attend KI training is the same reason that you should be attending District training events. We want to see Kiwanis grow and none of us want to be the limiting factor.

Club Leadership Experience (CLE) training, Lt. Governor Training, Learning Tracks at Mid-Winter and District Convention (DCON) all are part of the training that you and your fellow members can take advantage of.

Not only will you gain something new, you might just have a great time.

District Secretary 2018-2019

Does history really matter? In Kiwanis it does.

History is really just the story of those members who came before us. In the early days of Kiwanis, there were differences of opinion on what the new group should really be doing. The side that prevailed was the one who believed that serving their fellow man must be a priority.

What a great moment to reflect upon, our organization was at a fork, one led to personal gain for the members and the other to helping others. That single moment was significant and led to the creation of our unique culture of service.

Other moments in history followed, the adoption of the Objects of Kiwanis, the creation of the Service Leadership Programs, and then the international projects that impacted millions of lives.

It is exciting to be a part of Kiwanis as the PNW is preparing to turn 100 on January 17. There are so many things that should make every member feel pride in this achievement. And for four of our clubs, it holds a special element of pride.

The Seattle Club was Chartered on February 4, 1918, the Tacoma Club on October 8, 1918, Portland Club on December 28, 1918, and Vancouver, BC on January 21, 1919. Yet the Charters weren’t presented in that order. Due to the flu outbreak, the Charters were officially presented first to Portland, then Tacoma, Seattle, and finally Vancouver.

Tacoma provided the first Governor as well as the fourth. Vancouver provided the second, and Seattle the third. The fifth Governor came from the Portland Club.

The moment that really mattered was that those four clubs came together and formed the Pacific Northwest District on January 17, 1919 and that led to the formation of hundreds of clubs. Those clubs have provided millions of dollars and hours of service benefiting our communities and mankind.

How many people learned leadership skills through Kiwanis that enabled them to improve the lives of their family? How many people were helped by Kiwanis projects and went on to help others? The answer to these questions, is one that only a divine being could answer.

From the inception of Kiwanis in 1915 to the birth of the PNW in 1919 is such a short time, yet history shows us the positive impact that our communities and world have had because of those members who now live only in history.

The lesson to be learned is that each of us live history. Every child we help with a club project, every life we touch through our care and compassion, and every smile we give through our sweat and wealth is a part of the history of Kiwanis. Let’s celebrate our centennial and remember that we’re the ones writing the continuing history of Kiwanis.

Pajama Literacy Night

On Friday Nov. 2, 2018, red jackets filled the Cafitorium at Rockwood Preparatory Academy (RPA). Joining the Kiwanians were +300 children ages 3-18 (and their families) donning their favorite PJ’s and eager to hear stories, eat pizza, practice reading, and to receive new books. The event, Pajama Literacy Night, was made possible by a generous $1,000 grant to the Rockwood Club from the Kiwanis Pacific Northwest District. Grant funds were used to sponsor the event and foster a long-term partnership between The Kiwanis Club of Rockwood and RPA.

The Community Served: 85% of Rockwood students come from homes experiencing poverty. Approximately 60% of students come from homes where English is a second language. In addition, the Rockwood community is blighted by high crime rates and one of the region’s highest concentrations of high-density low-cost housing.

The School: RPA is a 350+ student public school (grades K-6) located at the heart of the Rockwood community. Children in the Rockwood community perennially score much lower on state language and reading tests than peers in other Oregon communities.

The Kiwanis Club of Rockwood:- Like many clubs, in recent year the Rockwood club has experienced what can best be called “generational change.” Slowly but surely a new generation of Kiwanian’s is emerging and taking active roles in club activities. This has brought a welcome increase in energy and capacity to our efforts.

While “literacy events” help meet the literacy needs of children in our community, the project also helps the club to re-establish itself as a “go to” service organization among a new generation of community leaders. In addition, the exposure gained from participation in “literacy Night” events provided our club with recruiting!

“Serving the Children of the World”

The free book table was busy all night as volunteers helped kids (ages 3-18) choose books to keep forever! Over 500 FREE Books purchased with Kiwanis grant fund!
“Dome-tents provided fun cozy story-telling environments for the event. Students rotated every 7-10 minutes.”

Right: Rockwood Club President Elect John Nelsen reads a story to pajama attired children (and parents).

“It was quite the sight to see hundreds of kids scurrying from tent to tent excited to find out what adventure the next book would reveal!”

Left: Kiwanians Oscar Domingo, Dick Tracy, Jewell Bailey and Rockwood Club President Jeff Reynolds were all smiles as they watched the evening unfold!

“Hungry kids and parents went through 30 pizzas and 270 bottles of juice/water!”

Left: Red Jacket were all the rage as the participants shared in a meal and engaged in fellowship with children!

“The Kiwanis Club of Rockwood took center stage as the named sponsor of the event!”

Left: Large (6’x3’) signs were posted in central areas reminding all that Literacy Night was sponsored by The Kiwanis Club of Rockwood.
Kiwanis Club of Winthrop

The Kiwanis Club of Winthrop was recently awarded a grant of $3000 from the Pacific Northwest Kiwanis Foundation to help us with the project we share with Classroom in Bloom to install a quality greenhouse at the Methow Valley School District school garden site.

Winthrop Kiwanis has been involved from the beginning in developing the school garden on the acre plus site between Liberty Bell High School and the Methow Valley Elementary School. Classroom in Bloom offers classes for students from Kindergarten through tenth grade. Besides providing an outdoor classroom where students learn about plants and growing thing, the garden’s produce goes to feed students in the hot lunch program.

The garden this last year furnished 4500 pounds of vegetables and fruit for the daily student lunches. This Fall the fourth graders held a two hour “Farmers Market” and in that time raised $800 for the program.

We hear stories from parents that students have tried vegetables fresh in a garden class and will now eat those vegetables at home.

Winthrop Kiwanis has long helped the Classroom in Bloom folk financially and with club sweat as well. We built their first storage shed and this year we are building a second shed as they have outgrown the first shed.

We have helped supply tools for student use and two years ago we rebuilt the gazebo used as an outdoor classroom. We are proud to be part of the new greenhouse and delighted to have PNW Foundation grant to help.

West Valley-Yakima Kiwanis

The Kiwanis Club of West Valley-Yakima, WA, under the leadership of President Dick Dean, recently celebrated “Kiwanis Family Night” by inviting our sponsored service leadership club leaders, advisors and their families to our meeting.

Over 28 guests, including Wide Hollow Elementary School K Kids Advisors Megan McKinney and Jaime Whittum, West Valley High School Key Club Advisor Adil Khan, Yakima Valley Aktion Club Terry Archer and Division 50 Lt. Gov. James Monroe attended.

We all enjoyed celebrating what our sponsored clubs do in our community and great pumpkin pie! A highlight of the evening was the presentation an “Everyday Hero Award” to Yakima Valley Aktion Club Advisor Terry Archer for her many years of service leadership and dedication to Aktion Club.

- Jim Borst

Two K-Kids received Officer T shirts from President Dick Dean and our K-Kids club liaison Elna Isenminger.
