Dear PNW Kiwanians,

Happy New Year! As we enter the first year of a new decade, I enthusiastically invite you to participate in the first leadership and educational opportunity this year for club members: The PNW 2020 Mid-Winter Conference!

The Mid-Winter Conference in Yakima February 28 - March 1, 2020, at the Howard Johnson Hotel, is themed appropriately “It’s All About Your Club!” because we invite ALL Kiwanians to participate and take home information to help them achieve their overall club goals and growth objectives.

Highlights of the 2020 Mid-Winter Conference, in addition to plenty of socializing and idea-sharing, include:
- 3 educational learning tracks with 9 sessions over the weekend & an SLP Session
- A special guest speaker
- Entertainment
- Auction for the Outreach program
- Division planning
- Celebrate successes
- Fun opportunity to prepare part of your attire for District convention
- Fundraising event for our District’s International Trustee Candidate, Past Governor Roger Bell.

As we continue to organize and conduct events that touch the lives of children in our respective communities, the stronger our clubs become and the more they can have a positive impact on children. For this reason, it is important that Division leaders, club officers and club members have opportunities to interact and discover ways to enhance the experiences of their club members and the impact of their club projects. Learning about other clubs’ successes, discussing key issues/club concerns, and interacting with members of other clubs are a few of the unique opportunities found at the 2020 Mid-Winter Conference. By inviting ALL members to attend, we hope that in addition to benefiting your club, some members will “catch the excitement” and take advantage of exploring new leadership opportunities and we will develop a stronger Leadership Pipeline for our clubs, Divisions and the District.

So, join us in Yakima! Let’s get together to learn about and share ideas for enhancing your clubs’ programs and projects, as well as celebrate successes at the 2020 Mid-Winter Conference!

Registration is available online now! (www.kiwanispnw.org/mid-winter.html)

In Service,

Melanie Bozak
Governor 2019-2020
