Eyeglasses Roundup

Do you have eyeglasses you no longer use? Kiwanis Clubs collect them, they are refurbished, and then they are distributed to needy people in countries around the world. Please bring your eyeglasses to the information center at the church. They will be put to good use and greatly appreciated.

Gift of Sight

Used eyeglasses are needed for distributing to Third World countries. Place your donated unbroken glasses with case, if possible, in the Kiwanis S.O.S. collection carton in the lobby.

Needed: Used Eyeglasses

Please bring your used, no longer needed eyeglasses to the reception desk. We are collecting them in partnership with Portland Lions Hearing and Eye Foundation for needy people around the world.

Eyeglasses Needed

Used eyeglasses are needed to be distributed to Third World countries on a need basis. Please bring unwanted glasses to the collection box located at the front desk.

S.O.S. – Save Old Spectacles

Please bring your used, no longer needed, eyeglasses to the S.O.S. collection carton located in the lobby. Glasses must not be broken or missing lenses. Thanks you.

Glasses – Bring ‘Em!

If you wear eyeglasses or contact lenses, you can understand how valuable they are to the many people who also wear them. Imagine now, that you are unable to purchase them because of a lack of money. Would you be able to function in your current occupation or in your daily routine without the aid they bring you? Your old eyeglasses, or those you can collect from people you know, will help many people who are in great need of them. Please bring used glasses to the meeting and help people see.

S.O.S.

Save Old Spectacles collection cartons have been placed for the collection of used eyeglasses by the local Kiwanis club. Glasses must not be broken or missing lenses.

Used Eyeglasses Needed

Please place your old, no longer needed eyeglasses in the S.O.S. collection carton. Your recycled eyeglasses are helping to give sight to thousands worldwide.

You Can Brighten Someone’s Life on the Other Side of the World

The pair of eyeglasses we take for granted in this country is a very precious item in many parts of the world. Pacific Northwest Kiwanis partners with the Portland Lions Hearing & Eye Foundation. Every pair of eyeglasses is “recycled” for use by someone who urgently needs them but who otherwise must go without. Thousands have already been collected but more are still needed! Bring your used eyeglasses to the collection box in the lobby and help restore someone’s vision and brighten their life.
